

## WESTON® Real Tree® Edge Meat Grinder & Sausage Stuffer

**Powerful and Efficient** – The Weston® Real Tree® Electric Meat Grinder and Sausage Stuffer makes home meat processing seamless. Excellent for quick batches of homemade sausage or burgers, the powerful motor can grind up to three pounds of meat per minute. Forward and reverse functionality ensure efficient processing while preventing jamming.

**Compact and Portable Design** – The aluminum body of the grinder is lightweight and easy to clean. The 1.75 inch grinder head removes for quick cleaning. This Electric Meat Grinder is compact enough to fit on your countertop without taking too much space.

**Included Accessories** – Included with the grinder are three stainless steel grinding plates (3mm, 4.5 mm and 8 mm), stainless steel grinding knife, stomper and a sausage stuffing funnel. Accessories can be stored inside of the stomper for your convenience. A stylish Real Tree® camo cover is included with the grinder for storage purposes.
